Music Used

Miscellaneous Information

What is it like being on the outside looking? Is it possible to find the strength and courage to walk away? In 2018, the Brigadiers Winter Guard is committed to making a difference by spreading awareness that domestic abuse comes in many different forms. Additionally, we will be raising money for prevention and support victims of domestic violence. Please see staff and members of the Brigadiers Winter Guard on how you can help support our cause.
