### Pre-performance credits

The Norwich Winterguard is proud to present their 2018 program "Imagination: A Tribute to Bob Ross". The secret to doing anything is believing you can do it. Anything that you believe you can do strong enough, you can do. Anything. As long as you believe. The Norwich Winterguard would like to dedicate their 2018 program to the late Billy Klingensmith. Billy was a huge part of the Mid-York Colorguard Circuit for years, and he inspired everyone he worked with. He will continue to be missed by everyone he knew. We love you, Billy. Thank you for everything.
